

FOR THE FIRST TIME EVER!

MULE DAYS IS OFFERING THE PRE-SALE OF RV SPACES
TO LARGE GROUPS OF 10 OR MORE.

These RV spaces are available with electrical hookups of 30amps. Power supplied by rental generators. Pricing starts at \$700 for 5 day minimum and up to \$950 for the entire event 8 days. Understanding the need for large RV groups to plan further in advance than our normal ticket sales season would allow. The Mule Days board has opened Lot F to pre-sale of electrical spaces prior to the normal date of February 1, 2018. Groups can purchase spaces now for 2018 or 2019. This allows time to engineer and plan the needed rentals.

Wagon Masters of groups of 20 or more spaces,
RV space is free for the week.
