Catch the Fun at Mule Days!

The wildest, noisiest and funniest event of the whole weekend is the Packers' Scramble.

The scramble pits more than 10 four-person teams against each other with more than 100 mules and horses mixing it up in the arena. A rip-roaring time is expected with a few good wrecks thrown into the rampage for even more fun!

From trail riding to show classes, mules can do it all with a grace and style unique to these animals. Skeptics need only look as far as our team roping and sorting events. Normally reserved for quarter horses, these events are another highlight of Mule Days as competitors have the opportunity to prove their roping and riding skills astride some of the best working mules in the United States.

Welcome to Bishop Mule Days! We're glad you're here!

Every Memorial Day weekend since 1969, the town of Bishop, nestled on the eastern slope of the majestic Sierra Nevada mountains, comes alive with the annual presentation of the Mule Days Celebration.

The outfitters and packers of the region wanted an event to start off the packing season and the businessmen wanted to draw vacationers to the Owens Valley. What began as an informal gathering and a test of skills, has now grown into a fun-filled, world class event.

There is no way to actually describe Mule Days. It is part mule show, part test of skills, and part Wild West show. It

is an event the likes of which are held no where else in the world. During the six days of the event, there are 14 shows

featuring more than 700 mules with their trainers, riders and packers. In excess of 30,000 fans converge on the Tri-County Fairgrounds and the Mike Boothe Arena to watch the events and visit the exhibitors.

The competitors, all hardcore mule aficionados, are determined to prove that anything a good horse can do, a mule can do better! Events include English jumping, dressage, team

roping, western riding, and racing, to name a few. The pack scrambles, chariot racing, musical tires and other unique events are not to be missed!

"If there's a National Finals in the mule industry, it's held in Bishop, California every Memorial Day Weekend. There's nothing bigger, nothing better and no better place to have it than Bishop!"
