

How to Choose the Best Mule Days Package

The many ticket packages were created to provide as many options as possible for you to have the ultimate Mule Days experience. The best way to choose the optimum package for your experience is to answer the following questions:

Am I coming in and RV?

Am I staying in a motel?

Am I attending all events for the week?

Am I attending for a few days only?

RV Package Details

RVers, Mule Days has developed the most comprehensive package with you in mind. Each of the 6 packages offers a total of \$40 per package in combined discounts for tickets and RV space.

If you are staying in an RV and plan to attend the main events starting with the Opening Night Supper on Wednesday night through the final Sunday night show in the main arena, an RV package will be your best choice. Each RV package has tickets for 2 to all main events and includes your RV space. Additional ticket packages can be purchased individually if more than two are traveling in your RV.

First, decide what type of RV space you would like, water and electric or dry. Water and electric spaces are located in Lot B only and are sold out within hours on opening of ticket sales starting at midnight on the night of January 31st which is the first minute of February 1st. If you cannot be at the Mule Days front door at 8:30 am February 1st and want water and electric, you will need to place your order at midnight via website www.muledays.org, phone message, fax, or email. Please only place

one order. Please do not order via every option. Multiple orders do not insure you will be able to have the RV space you have requested. Dry RV spaces have a larger inventory and will not sell out on the first day of ticket sales. Orders across all platforms are placed in time order and filled according to time received.

Next, decide what concert experience you would prefer. Do you want to have the opportunity to meet the entertainer, mix and mingle with no host cocktails and hors d'oeuvres? Or just have a reserved seat to enjoy the show? All packages with "VIP" in the title have the premium Meet and Greet concert tickets included in the package. Packages that do not have the "VIP" in the title include a reserved concert seat without the Meet and Greet option. Both the VIP concert and concert tickets have reserved seats and seats are numbered by section, row and seat. Either option is a great choice for an economical evening of quality entertainment.

If you will miss any of the ticketed events in the package, the RV package is not your best value. If you cannot attend all main ticketed events please make your RV space and ticket order from the individual ala carte menu for optimal savings.

Ticket Package Details without RV Space

If you plan to attend the main events starting with the Opening Night Supper on Wednesday night through the final Sunday night show in the main arena, a ticket package will be your best choice. Each ticket package has either one ticket or four tickets to all main events depending upon the package. If you will miss any of the ticketed events in the package, the ticket package is not your best value. If you cannot attend all main ticketed events please make your ticket order from the individual ala carte menu for optimal savings.

If you are attending all main events and are purchasing a ticket package, first decide if you would like a reserved grandstand seat or general admission seating for all main arena mule shows.

All grandstand seats are assigned for the entire Mule Days event, so no waiting in line or doing a pack scramble to find a seat! All grandstand

seats face north, have seat backs and are numbered by section, row and seat. Rows I through T are under cover with Section A receiving morning sun and Section E receiving evening sun.

The General Admission seating is first come, first serve for every show, are bleacher style seating and are not shaded. It is advisable to arrive at least a half hour early for this seating. Handicap seating is available in Box 1 of the Main Grandstand. These are wheelchair accessible and are available for a handicap person with one person accompanying. We also allow wheelchair bound general admission seating in Section A and E of the Main Grandstand (wheelchair may back up to the first row and one person may accompany). Seating is limited and not shaded.

Next, choose your concert experience, a Meet and Greet with the entertainer including mixing and mingling with no host cocktails and hors d'oeuvres or attend the concert only without the Meet and Greet option. Both the VIP concert and concert tickets have reserved seats and seats are numbered by section, row and seat.

Finally, be sure you are attending all ticketed events beginning on Wednesday with the Opening Night Supper all the way through the final performance in the Main Arena on Sunday night. If you will miss any of the ticketed events in the package, the ticket package is not your best value. If you cannot attend all main ticketed events please make your ticket order from the individual ala carte menu for optimal savings.

The Mule Days staff is available to assist you with any questions you may have to make your Mule Days experience memorable. Please do not hesitate to call the office and visit with DJ, Dana or Tammy about creating the optimal ticket package tailored to your visit. The office hours are 9:00 am to 5:00 pm Monday through Friday. (760) 872-4263.

See you in May 2017!
