Dear Vendor,

Thank you for your participation in the Bishop Mule Days Celebration! Attached, you will find the vendor application, MD Insurance Form, CA 410 Form and instructions. Please fill out and return ASAP. If you are unable to join us, please kindly let us know so we can fill your space in a timely manner.

Make certain that you list every item you intend to sell, including brand names to ensure all items are authorized. The event staff makes every effort to maintain a balance in merchandise between allowing fair competition among vendors and having choices for the buying public.

We believe that the reason our quality of vendors remains at such a high level is due to the cooperation we receive from each of you. We are looking forward to another great Mule Days Celebration. We hope to see all of you then.

People who sell tangible personal property (merchandise) in California are generally required to hold a seller's permit. You **may not** sell at this event without a seller's permit, unless you are not required to hold one. You are required to have a permit if you are selling, even temporarily, new or used merchandise, including items you purchased for the purpose of reselling to others. You are not required to hold a seller's permit if you are only making "occasional" sales (see below), selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer (see below).

You may register for a seller's permit by visiting our website at [www.cdtfa.ca.gov](http://www.cdtfa.ca.gov). If you obtain a temporary seller's permit, the business address on that permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

**Occasional and Nontaxable Sales**—Due to the number, scope, and character of their selling activities, some sellers are not required to hold a seller's permit. For example, a person who is disposing of unwanted household items, and does this no more than twice in any twelve month period, is generally considered to be an occasional seller. Also, some sellers who make only nontaxable sales are not required to hold a seller's permit. Examples include sellers of fresh produce or other cold food products sold exclusively "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged, including some swap meets or flea markets.

**Section 6015 Retailers**—Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a CDTFA approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (for example, Avon, Tupperware, etc.).
